Wake up to spectacular sea & island views from this beach side house every day. Ideally located opposite beautiful parkland and within walking distance to the school, cafes and shops, this property provides a rare opportunity to buy a home that is on two blocks with two titles providing potential and endless possibilities for development. The home has polished timber floors, a functional kitchen with plenty of storage and a large undercover area at the back of the house. Be quick as this is a very special property in a fantastic beachside location.Property Code: 426
