Tucked away in a quiet, leafy street but only steps to vibrant High Street, Preston Market, trains, and trams, this immediately comfortable period home is an exciting option with future potential to renovate and extend (STCA). Retaining original details, including leadlight windows, decorative molded ceilings and OFP's, with an inviting entry leading to three double bedrooms, fourth bedroom or home office, central bathroom with separate bath, neat timber kitchen and living room. Outside there is a spacious rear garden with a shed & easy access via the wide ROW. In Conjunction With: Ian Reid Vendor Advocates
