The home features a spacious kitchen and dining space which opens to a sunny, north facing deck, making the property perfect for entertaining guests. The expansive lounge room can be configured in many ways to accommodate the entire family and has a heat pump unit. The master bedroom is complete with ensuite, walk in robe, and access to the deck. The other two bedrooms have mirrored built-in robes, while the fourth room could fit a single bed or home office. The main bathroom has a shower and good-sized bath, with separate toilet and laundry creating space and storage throughout every room. There is plenty of storage downstairs and a modern double garage. Outside the property are secure Colourbond fences, manicured front and back gardens, fruit trees and a small veggie patch. This property is complete with solar panels and a fresh coat of paint, making it ready for the next owner to move in and make it theirs. Please contact Tim to arrange your private inspection today.
