Radiating with timeless sophistication and touched with a complementing modern vogue, this stunning 4-bedroom plus study home showcases a space primed for elegant family living in one of Epping's most desired family locations. Its modern facade gracefully echoes into its interior, where a crisp colour palette and plush carpets underscore its revitalised modern aesthetic. A romantic formal lounge and open office stand separate from an open family and dining design, wonderfully zoned around a stylish and spacious kitchen with a lovely island design. The alfresco area extends the living space outdoors through sliding doors, featuring an abundance of space before a sprawling garden perfect for moments of peace and leisure. The main bedroom boasts a walk-in robe and ensuite, while three additional robed bedrooms offer space and style around a central bathroom, toilet and laundry. The addition of ducted heating, split-system air conditioning, and a double garage enhances this beautiful home beyond compare, positioned for family enjoyment in a peaceful locale just moments from Woolworths Epping North, Epping Views Primary, Wollert Secondary, Al Siraat College, public transport and freeway access.
