This home is located in the middle of Hervey Bay close to shops, schools as well as the esplanade and beaches of the Bay. This 1012 m2 block has a 3 bedroom home with a large 6m x 6m shed and would be a great rental property. There are polished timber floors throughout, a workable kitchen, bathroom and generously sized bedrooms. The real advantage to this property is its location in the central precinct of Hervey Bay. This property one day could possibly be redeveloped as there are quite a few units in and around this property.

- Private 1012m2 block centrally located in Hervey Bay
- Three bedroom home plus a shed with side access
- Timber floors throughout
- Close to Hervey Bay shops, schools and esplanade
- Future redevelopment potential
- Fantastic location and/or a great investment property
