Designed by the acclaimed team at JCB Architects, Whitton Lane is Bondi Junction's most prestigious new address, located in the vibrant residential and retail precinct at the western end of Oxford Street. Enjoying a coveted corner position on level 13, this dramatic penthouse is a showcase of contemporary luxury, set against a backdrop of awe-inspiring northerly harbour panoramas and southerly bay views. Framed by floor-to-ceiling glass to harness the vista and natural light, it features two large terraces and a balcony, a suite of beautiful finishes, a host of prestige inclusions and the use of an expansive communal rooftop terrace. Unbeatably convenient, set upon a corner block facing Northwest and south, it lies at the gateway to the Bondi Junction retail precinct, just moments to Westfield, the train and bus interchange, a multicultural dining scene and Centennial Park, Queens Park, with Bondi Beach and the CBD within easy reach.
