131 Clarke Street, Benalla is a property that packs a whole lotta punch. Meticulously maintained and loved by the one family for over 20 years. Updated kitchen with gas and electric cooking, dishwasher and plenty of cupboard and bench space. Separate dining room and formal lounge with gorgeous natural light. Master bedroom with BIR's and ceiling fan. As you enter what you believe to be the second bedroom you are instantly amazed at the transformation that has taken place. The room opens into a huge second family room with office stations, storage, two bedrooms and a bathroom. As you go back through the main house you have a 4th great sized bedroom and renovated family bathroom with separate shower room and toilet. Ducted heating and cooling throughout plus an additional heater in the family room. Outside, there is a double garage/shed of 5.5mX8.7m with power as well as a carport which could also be used as an outdoor patio space. The rear yard also offers a lovely paved area perfect for summer entertaining. This property is definitely one to put on your inspection list, call Living Here today on 5762 2210.
