131 Meissner's Road is the perfect answer to living a rural lifestyle without the need to maintain acres of land. Located on half an acre off the Dawson Highway, so close to town! This lowset 4-bedroom brick home is pleasantly accommodating, with ample space throughout. The kitchen is adjacent to the dining room and separated by an attractive archway to the large airconditioned lounge room. Three of the four bedrooms have built-in cupboards, and the bathroom includes a separate shower and bathtub. There are ceiling fans throughout. The property is fully fenced, boasts a large shed, 2 rainwater tanks and its own bore. There is accommodation for 2 cars, one in the single garage and the other in a single carport. There is plenty of room for children and pets to appreciate while you spend your time on the back patio enjoying the secluded outlook. The location is absolutely ideal for anyone wanting to be out of town, but close enough to zip in and grab your groceries, contact Ross or Amanda to arrange your inspection. Currently rented until April 2024 at \$340 p/w.
