Nestled in this blue-chip pocket on the edge of thriving Toorak Road, Chapel Street, and a short stroll from Rockley Gardens, this contemporary residence offers spacious, low maintenance living, surrounded by a celebrated lifestyle. Benefitting from high ceilings, floor-to-ceiling glazing and large sash windows, the bright and breezy interior reveals a modern stone kitchen with Smeg appliances, an adjoining dining area, and a relaxed living area on both levels. The lower level lounge, warmed by a Heat n Glo fireplace, accommodates space to work from home and connects with the elevated front deck through French doors. Upstairs, the sky-lit second living area is a peaceful retreat, accompanied by two light-filled robed bedrooms and a semi ensuite. Boasting a covered rear courtyard with access via the rear lane, it provides convenient, secure off-street parking, with further highlights including timber floors, ducted heating, an alarm, powder room, and a full size laundry with ample storage. Walk to transport, Como Cinema, Jam Factory, fashion boutiques, cafes and restaurants.
