Our owners are committed to sell Set on approx 30 acres of lush green countryside, this loveable rural holding is the perfect opportunity for those looking to escape to their own little piece of paradise away from the noise and be tucked away in serenity. Charming 4-bedroom country home with self-contained lower level, offering a family friendly rural living scene, set back from the road. 14.9m x 9.1m machinery shed & workshop, car & caravan accommodation, perfect for some privacy to work on the toys and also store everything you need. Cleared green fields and bushland surrounds and a real serene place to unwind and connect with nature, abundant variety of birdlife and wildlife of which will keep you intrigued for hours. This is truly a unique and rare opportunity, the home needs some minor work but is the perfect start for someone to add their own individual flair.
