Pristine, Eco-Conscious, Family Living

Set in a beautiful, elevated position, this immaculately presented home is enveloped in natural surrounds and ticks the boxes for environmentally conscious, indoor-outdoor family living.

Boasting leafy vistas, the beautifully appointed kitchen features granite benches and is equipped with gas cooktop, stainless appliances, and family breakfast bar. The meals area and light-filled family room offer seamless flow to an expansive, undercover entertaining deck and pool area. Polished floorboards throughout the main living areas and stylish white plantation shutters encapsulate the organic accents of this home. You'll enjoy the multiple living areas offering plenty of individual escapes and views throughout your new home - the downstairs living room overlooks the sparkling, solar-heated, inground swimming pool.

Upstairs, the master bedroom is serviced with a dual basin ensuite and walk-in wardrobe. Three additional, generous sized bedrooms offer built-in wardrobes with ample storage space and an adjoined study makes for the perfect home office.

Beautiful stone stairs lead the rear veranda to this property's wonderfully maintained grounds and built-in playground which will delight the kids. The double Titan shed provides plentiful storage or a productive workspace and the huge carport is an excellent feature for protected parking and outdoor storage.

Pullenvale is a much sought-after suburb boasting excellent schools, leafy parks, organic markets, mountain biking trails, shops, cafes, and restaurants within minutes. Sitting on 4,000 square metres, this home feels far removed from the bustle of the city.

We look forward to welcoming you to peaceful, eco-conscious, modern living within easy reach of Brisbane CBD.
