Just 20 minutes to the Hunter Expressway and two hours from Sydney, this incredibly picturesque holding of approx 40.08HA (100 acres) offers elevated valley views, a variety of exceptional building sites, one dam and beautiful double creek frontage meandering through approximately 1.6km of the property providing watering holes for stock. A mix of creek flats, ridge country and undulating hills dotted with light timber providing natural shade, the property is ideal for cattle or horses. Approximately 2.3km of brand new steel fencing, this vacant property is divided into two paddocks and ready to bring your rural dream to fruition. Tar sealed road frontage and power is available on the road adjacent to entry.
