As you enter the home, high ceilings create an immediate sense of space and opulence, which is amplified in the expansive open plan family zone. Those who love to entertain will relish the multiple double sliding doors leading out to the stunning alfresco, with in-built speakers adding to the ambience. Sleek and impressive, the modern kitchen is a gourmet's dream, flaunting an island bench and breakfast bar, stone bench tops, 6-burner gas cooktop and butler's pantry. Also on this floor is the plush formal living room alongside an elegant bedroom complete with a built-in robe and ensuite. Journeying upstairs, you'll find four further bedrooms, all robed and all boasting a luxe ensuite, with the lavishly appointed main bedroom highlighted by a private balcony and stunning spa. Rounding out the extensive list of majestic inclusions, a tranquil upstairs retreat, security system and CCTV, double remote garage with internal access, double glazed windows, ducted heating, evaporative cooling, plus smart home capability to control the lighting, gate and garage door.
