Introducing the "Hatton Vale Hilton" – a stunning property offering luxurious dual living, complete with a heated magnesium pool, a massive shed, and solar-powered features that promise both sustainability and efficiency. Nestled on a fully fenced 4028sqm block, this grand residence boasts an impressive 8 bedrooms, making it ideal for accommodating two families comfortably while still leaving ample space for guests to enjoy. With 4 bathrooms and parking for up to 10 cars, convenience and comfort are at the forefront of this magnificent estate. The property is equipped with not one, but two solar systems, ensuring energy sustainability while reducing utility costs. Inside, the main kitchen is a culinary enthusiast's dream, featuring high-end appliances such as a Smeg dishwasher, stone benchtops, a breakfast bar, an LG fridge, gas cooking facilities, and even two Miele ovens, guaranteeing a seamless cooking experience for any occasion. Sleeping quarters are equally impressive, with 5 bedrooms boasting built-in wardrobes and an additional 3 offering walk-in robes, providing ample storage space for all occupants. Safety and security are paramount, evidenced by the inclusion of a comprehensive security camera system and two solar-powered security gates, ensuring peace of mind for residents. The property's exterior is equally remarkable, with a full concrete driveway leading to the expansive rear shed, perfect for housing vehicles, equipment, or even transforming into a workshop or entertainment space. Additionally, an automated irrigation system ensures the lush landscaping surrounding the property remains vibrant and well-maintained throughout the year. With its blend of opulent features, functional design, and eco-friendly amenities, the "Hatton Vale Hilton" represents the epitome of luxurious rural living, offering a lifestyle of comfort, convenience, and sustainability for its fortunate residents.
