#PictureThis: A reimagined entertainer's atmosphere in a residence that relishes its entirely recreated vogue. Nestled to the quiet end of Kars Street in the coveted Frankston High School catchment, this masterfully renovated 3-bedroom entertainer delivers a showstopping lifestyle offering of undeniable allure.**#WhatYoullLove:** A maximisation of leisure and easy-care living, with high-quality modern finishes throughout its redefined interior, and an overly impressive poolside setting wrapping around the rear. Stone counters through the galley-style kitchen encircle top-tier appliances, enjoying an outlook across its open living and dining spaces, out to its private garden setting through beautiful picture windows. The rear deck is the perfect stage for entertaining by the pool and spa pavilion, wrapping around the side of the home and maximising the summertime appeal. Three bedrooms are zoned away from social noise with near-immediate convenience to the stylish bathroom, with the main bedroom relishing a matching ensuite. Finishes include full-height fencing and automatic gates, split-system air conditioning, ducted heating and cooling, privacy blinds, and a double carport.**#WhereYoullLive:** Enjoy the peace of living at Kars Streets Sweetwater Creek end, a short walk from buses, **#NormanAve** shops and cafes, Overport Primary and Frankston High, with Frankston CBD and foreshore only moments further.
