With its earthy hardwood floors and dramatic lighting, you're sure to fall in love with this romantic residence and its private pool. Just 200 metres from Wheelers Hill Primary School, the elegant family home will suit families keen to embrace outdoor relaxation, with seamless indoor-outdoor connection between the living space and al fresco. With a formal lounge, family room, dining room and office/retreat as part of the front wing, there's room here for everyone to find a space to slow down. When it's mealtime, a stylish granite kitchen serves you well with Euro appliances, a glass tile splashback & breakfast bar. While adults are unwinding by the fire, or entertaining friends, children can be at play on the paved deck or in the palm-fringed pool – with a retractable awning to add shade to your north facing leisure setting. There's a fenced lawn area and secure dog run on the other side. Parents have the use of their own shower ensuite, with an open plan family bathroom further down the hallway featuring an elegant frameless shower, soaker bath and granite top vanity. It's a home that feels like a sanctuary, in walking distance to Wheelers Hill Primary School and Brentwood Secondary College, just a few doors up from Code 5 café for your morning coffee, with a choice of shopping at The Glen, Wheelers Hill and Brandon Park, and Monash Fwy and Eastlink stretching from the CBD to the peninsula. This is the perfect home to make your own.
