The Seattle is a super spacious design that has everything you could need in a home (and more!) With 4 bedrooms, and a study that can be turned into a 5th bedroom, there's napping spots for days! The theatre is at the front of the Seattle, perfect for watching the hottest shows or latest blockbusters. Continue through, and you'll find the heart of the home, the epic open plan living and kitchen area. To make your home the envy of your mates, we've also included a games room and alfresco that both extend from the living areas, score! Parties galore or plenty of room to slide around in your socks. With walk-in-linen, walk-in-pantry and walk-in robe, this home is a total vibe with enough storage for all those clothes you can't part with. *Easystart Homes, a part of Summit Homes Group, is a family-owned builder in WA for 45+ years. 2-time WA Project Builder of the Year (2021 and 2022) by Master Builder Housing Excellence Awards and 3-time WA Professional Major Builder by the Housing Industry Association (2022, 2021 and 2020).
