Here we have a new residential block for sale in the township of Kendenup quietly situated near the outskirts of town. Surrounded by nicely established homes and in a good feel street, newly bitumised road with power and water available to connect. It has a few nice trees which you may want to keep but mainly cleared for a build. Kendenup is a growing community 18km North of Mount Barker and has many new residents recently established in the area. With warm community spirit, farmers markets and local produce available it also has a post office, primary school, small store and cafe and endless opportunities for those entrepreneurs or business minded folk wishing to participate and grow a community. Mount Barker has all you need for grocery, hardware, doctors, dentist, hospital and community college up to year 12.
