\$550,000

This 1.55-hectare or 3.83 acres block would make the most incredible location to build that dream home, room for the kids, even a pony. 10 minutes to the centre of town literally 4 minutes max to Woolworths, Daycare, Ampol and more. The power is at the gate, fully titled and planning permit in place to build. David Falk 0407 878 213
