This property offers a great opportunity for those looking for a starter home. With its three bedrooms, it can accommodate a family or couples and individuals looking for extra space. The proximity to schools makes it convenient for families with children. The 640 m² block provides a great sized land area with space for a veggie garden or to add fruit trees. The drive-through garage allows easy access to the backyard. The low maintenance vinyl cladding exterior, completed in 2014, requires minimal upkeep. The undercover outdoor area can be utilised for various purposes such as entertainment or relaxation. The property offers water views from sunny north facing kitchen, a desirable feature as it provides a pleasant and scenic environment with ample natural light throughout the day, which creates a bright and inviting space while you cook or spend time in the kitchen.
