\$1,130,000

This original family home is perfectly poised in a prime location for investors looking for a property with plenty of future growth and potential re-zoning. This blank canvas is just moments from all of Bankstown's amenities including public transport, shops, schools and the future Sydney Metro Line and the recently completed Western Sydney University. Centred on a spacious 663.94m² block this home offers granny flat potential (STCA) at present. This prime parcel of real estate is zoned R3 Medium Density Residential, perfect for investors to capitalise on in the future. This home offers:- Separate living and dining room- Three bedrooms, one of the bedrooms can also be used as a formal living area - Original kitchen and bathroom- Separate laundry- Lock-up garage- Driveway access to the garage- Spacious backyard- Plenty of off street parking Location does not get any better than this, inspection is highly recommended to really appreciate what this opportunity has to offer.
