Imagine the joy of being able to see lush green parkland and The Dandenong Ranges in the distance from your family home. That privileged position is one of the many positives from this double storey family haven in the coveted school zone for Livingstone Primary and Vermont Secondary College (STSA) - close enough to walk to the district's highly ranked public schools, with bus and tram connections to private education at PLC, Wesley College and The Knox School. Beyond the private front fence, the home welcomes you inside with bright living space and a private master bedroom that gives you sweeping views of Terrara Park. That impressive panorama of the mountains is further highlighted upstairs across a grand rumpus and 2 additional bedrooms - the ideal space for children to retreat to their own section of the home. An elegant kitchen features a tiled meals area as the perfect dining hub - north facing for gorgeous light which also extends across the covered patio. With enough grass for pets and children, and off-street parking secured by roller doors, this is a property that invites you to work, rest and play in a gateway location close to Eastlink, shopping at Vermont South, Westfield Knox, The Glen and Burwood Plaza, with soccer grounds right out front and a spectacular new club pavilion.
