Full of vintage charm, this much-cherished 5 bedroom, 2 bathroom architecturally designed home blends the spirit of its origins with the comfort and convenience of today's needs, offering a touch of early 60's glamour and lots of exciting potential for the future. Meticulously maintained for immediate enjoyment, beautiful natural light and traditional style enhance an original kitchen/meals area with a lovely verdant aspect, spacious lounge and family rooms, ducted heating, split system AC, water tank, double garage plus single garage/workshop. Embark on a stylish renovation to pay homage to this home's retro allure or take this impressive site (976sqm approx) and redevelop (STCA). This is the first time this unique opportunity has hit the market since built, located within the MWSC catchment, moments from parks, Syndal Station, quality schools, restaurants and shops.
