This versatile property boasts 10.5 acres of lush, green pasture, offering a wide range of possibilities for the discerning buyer. Whether you're interested in agricultural endeavors, horse agistment, or automotive work, this property caters to various needs. The property includes a 3-bedroom, 1-bathroom house and a separate 1-bedroom, 1-bathroom unit, both presenting an excellent opportunity for renovators to craft their ideal family home. An expansive 450m² workshop with its own bore water and irrigation system is a prominent feature on the property, adding to its utility. This picturesque land is a rare find and is expected to sell quickly. Situated just 3 km from the Wandin shopping precinct, 5 km from Seville, and in proximity to multiple local schools, it offers both convenience and serenity.
