Rejuvenated mid-century classicism standing tall above its completely secure yard, matching its triple-fronted charm with a modern interior of space, light, and year-round comfort. Be swept away by the convenience and character of this 3-bedroom plus sunroom home, just metres from Langwarrin's premier schooling precinct. An eye-catching sight with its blonde brick construction and terracotta roof tiles behind high fences, its traditional facade is contrasted by an interior of sheer modernity, artfully retaining the traits that herald back to its vintage origins. Open living and dining spaces wrap around into a stylish galley kitchen with quality appliances before an adaptable sunroom opens to a vast entertaining deck and yard, perfect for the family wanting indoor and outdoor functionality in equal measure. The main bedroom features full-width robes, a ceiling fan, and direct access into the twin-vanity family bathroom, serving two additional robed bedrooms peacefully placed to the rear around a second bathroom/laundry. Additional features include refrigerated heating/cooling and remote driveway gates to a freestanding double garage.
