A newly constructed marvel that epitomises modern living in one of Melbourne's most sought-after suburbs. This two-storey residence boasts four spacious bedrooms, including a master suite with an ensuite, all designed with meticulous attention to detail and an emphasis on luxury and comfort. The home's facade, a harmonious blend of brick and timber, sets a tone of stylish sophistication that continues throughout the interior. Inside, the open-plan living and dining area serves as the heart of the home, featuring timber flooring and bathed in natural light, creating an inviting atmosphere for family gatherings and entertainment. The kitchen, a testament to modern design, features stone benchtops, including a striking stone island bench, complemented by floor-to-ceiling tiled bathrooms and split system air conditioning throughout for year-round comfort. Each bedroom is equipped with built-in robes, ensuring ample storage space, while the large windows invite an abundance of natural light, enhancing the sense of space and openness. The main bathroom and the master ensuite both feature stone-topped floating cabinetry while adorned with floor-to-ceiling tiles. Each space marries sophistication with contemporary flair. The main bathroom distinguishes itself with a freestanding bath, offering a haven for relaxation and serenity. Modern fittings across both bathrooms underscore their stylish design, while skylights bathe the interiors in natural light, amplifying the sense of spaciousness and highlighting the exquisite finishes. Outdoor living is equally impressive, with timber decking and a built-in barbeque and sink set within a stone benchtop, offering the perfect backdrop for alfresco dining and relaxation. There is easy access to Sydney Road's vibrant cafes, shops, and transport. Nearby Upfield Bike paths, Merri Creek Trail, and Brunswick Velodrome provide ample outdoor activities.
