After only 3 decades, this home is still young at heart and ready for its next chapter. Sitting on a fully fenced 405m² block, complete with a hills hoist clothesline and the lace veranda brackets on the façade to add a touch of nostalgia, anyone would be lucky to note 135a Whites Road, Manly West as their home address. As you enter the home from the front deck, inside offers a well-designed floor plan. This home has a great sized living / dining room which includes a fireplace and reverse cycle air-conditioning, polished flooring, a semi-separate kitchen and external access. The property can accommodate 2 cars undercover, plus room for off-street parking, 3 bedrooms all with ceiling fans, a walk-in shower bathroom, and w/c. With a little TLC, the home has huge potential for any first home buyer, or that savvy investor. Just a 10-minute walk to Lota Dog Park, 5 minutes in the car can take you to either the Manly and Wynnum shopping precinct, or the Esplanade to enjoy a stroll and take in the sea breeze. No car? No problem. Conveniently located just a few doors up from a bus stop on Whites Road or a simple 15 minute walk to Manly or Lota Train Stations, this really opens your travel options.
