THE DEAL: Private Negotiation

THE DEAL Unforgettable living starts here. This incredible family home has got it all - space, style, and seamless indoor-outdoor living that will make you feel right at home as soon as you drive down the spectacular tree-lined driveway. Unexpected proportions are obvious from the very first step, with high ceilings emphasising light through the foyer and roomy open-plan living and dining domain, where entertainers will thrive with an enormous, well-appointed kitchen. Offering plenty of space to cook and host with stainless steel appliances and a walk-in pantry, it caters to every occasion, making a brilliant connection with the covered alfresco zone, where low-maintenance greenery frames the perfect setting for summer BBQs. The interiors continue to impress, with a formal lounge ideal for those who crave space, whilst upstairs, a third living room with balcony access provides shade and treetop views. The main bedroom also allows access to the balcony and boasts a huge walk-in robe and ensuite, complete with a twin basin vanity and concealed WC. Two additional oversized bedrooms, each with built-in robes, are supplemented by a family bathroom, a family-sized laundry downstairs. Within walking distance to the esplanade and the ocean beach, Abbett Park reserve, excellent schools, major shopping centres, public transport, cafes, restaurants, bars and more, it also includes a powder room, the comfort of ducted heating/cooling and a double remote garage with rear and internal access. SEALS THE DEAL A true stand-out - from the tree-lined driveway to the contemporary design and lifestyle location just minutes from the ocean - this is modern living at its best.
