Located in a quiet part of town, this neat and tidy home has something for everyone, whether you're a first-time buyer, investor, or looking to downsize. It features a spacious lounge with a gas heater and air conditioning, a functional kitchen with ample cupboard space, and an adjoining dining area. All three bedrooms are generously sized with built-in robes, and the bathroom has been fully renovated. Outside, there is a shed with a concrete floor and power, a carport, and a low-maintenance yard with established gardens and a sprinkler system.
