Situated on a large level block at the end of a quiet cul-de-sac this fantastic family home was built by Built by Ronald Young builders, is immaculately maintained and all on one level. Boasting four bedrooms, two bathrooms, a spacious shed, and lovely low maintenance landscaped gardens, this home offers the epitome of comfortable living. The heart of the home is undoubtedly the updated modern kitchen & main living area, where sleek cabinetry, large countertops, and state-of-the-art appliances create a culinary haven for any chef. Whether preparing a quick meal or hosting a gourmet evening this home is a seamless all seasons entertainer. Indoor outdoor living has been well thought out with a large undercover area directly adjoining the kitchen, dining & lounge area. A large formal lounge opposite the master bedroom makes a fantastic second living zone and has a great built-in desk stretching the length of the room. Outside, the property truly shines with its easy-care landscaped gardens. Meticulously maintained and thoughtfully designed, the gardens offer a serene escape from the hustle and bustle of daily life. Whether enjoying a morning coffee on one of the decks or entertaining guests in the large undercover area, this outdoor oasis is sure to impress. Additionally, the property has 7 kw of solar and includes a large shed, providing ample storage space for tools, equipment, or even a workshop for the DIY enthusiast. With its flat terrain and well-built infrastructure, the possibilities for this property are endless. Located in the sought-after neighbourhood of Kingston, this lovely property offers not just a home, but a lifestyle.
