Guide \$900,000 - \$990,000

Beautifully presented, this tidy family home is perfectly located for all that Adamstown has to offer - catchment to excellent local schools, buzzing high street and ideal proximity to Newcastle CBD and beaches. Full renovations of the main bathroom, laundry and kitchen mean all of the big-ticket items have been taken care of, in stylish, neutral palettes which any new home owner would be pleased to call their own. Within the house there are 3 bedrooms, all with built-in robes and the high ceilings properties of this era are well known and loved for, creating a wonderful sense of space. Bright, open plan (and again fully renovated) living, dining and kitchen areas flow effortlessly from the front of the home right through, connecting to a level yard where the kids can run and play, and ideal for backyard BBQs with an undercover outdoor entertaining space. The garden additionally contains a large double garage and rain-water tank. If you are searching for location, convenience and an attractive move-in ready property to make your own, 138 Gosford Road has all you need and more. * Kitchen equipped with gas cooktop, electric wall oven and dishwasher* Bedrooms feature built-in wardrobes, carpet and ceiling fans* Plantation shutters throughout the home for style and privacy* Split system air-conditioning and ceiling fan in open plan living/dining area * Gas fireplace for added cosiness on chilly nights* Double garage with roller door and rain-water tank * 200m stroll to Adamstown Public School, catchment for Kotara High School* 450m walk to Myers Park sports fields, eateries like Adamstown Bowling Club* Less than 1km to bustling Brunner Road shopping precinct
