Situated at the back of a 3-unit complex is this quality townhouse in a sought-after location, close to Sale's CBD offers comfort and privacy. The well-designed residence was built by McInnes Builders in recent years and offers a deceptively spacious floorplan featuring a fabulous sunlit open plan family/meals/kitchen that connects perfectly to the north facing undercover pergola and decking. The modern kitchen has a large island bench, stone benchtops, glass splash back and plenty of storage space. There are 3 generous bedrooms including a spacious master at the front of the home with walk-in-robe and ensuite, plus 2 further bedrooms - each fitted with built-in robes and sharing a lovely family bathroom. Notable highlights include ducted central heating, split system air conditioning to the living area, ducted vacuum system, vinyl flooring and ample storage throughout. The double garage has direct internal access. If you're looking for a quality, comfortable, low maintenance townhouse in a top location, then this one is certain to impress!
