Ideally located just a few steps to Lake Wendouree is this grand home, perfectly pairing Art Deco features with Victorian charm. With an impressive façade, beautifully maintained gardens and ample off-street parking with a garage and carport to the rear, this home is unique from the beginning. Internally the home offers three large bedrooms, a two-way family bathroom with shower and bath tub, a huge formal living room at the front, and a second living area adjacent to the kitchen and dining area. The rear of the home contains a separate laundry, and there is ramp access from the backyard into the home. Warmed throughout by hydronic heating, and with a split system to the dining area, this property ticks all of the boxes. PLEASE NOTE - YOU ARE REQUIRED TO REGISTER FOR ANY INSPECTIONS.
