Only within a 10-minute drive from Werribee & Point Cook is the iconic boat shed precinct which has been in some families for many generations. This fully furnished and renovated boat shed will blow you away with its breathtaking waterfront views and peaceful surroundings. It is not often an opportunity like this comes about. Comprehensively appointed throughout, this quality-designed boatshed exceeds expectations and stands out above its peers as it features a lounge, great sized undercover alfresco deck, kitchen, bathroom facilities, quality floorboards, solar panels, electric roller shutter, and gas-connection for BBQ use, water tank and much more. 139 Campbells Cove offers the rare opportunity to acquire a front-row seat to Port Phillip Bay that will provide you and your family with years of fun and memories. * Please note this boatshed cannot be used for residential purposes.
