Expressions of Interest Showcasing contemporary sophistication through two light-filled living domains, this brand new four bedroom three bathroom residence is a shining example of luxe low-maintenance living. This craftsman-built home is all class, with hardwood floors and square set ceilings through a wide entrance hall that ushers you past a ground floor master bedroom featuring a fully tiled ensuite and walk-in robe, before opening onto luminous open plan living. Brimming with natural light and with a sliding door to private easy-care gardens, there is a relaxed sophistication in this living domain that is reflected in a streamlined kitchen where waterfall stone counters and splashbacks, 900mm Bosch cooking and dishwasher plus a walk-in pantry will delight keen cooks. A spacious retreat opens to a terrace taking in city skyline views, while three further bedrooms, one luxe master with ensuite, share a designer bathroom that includes a decadently deep tub. Excellence continues with black framed double-glazed windows, hardwood floors, heating/cooling, alarm and double garage with internal entry and off-street parking. Near Hayes and Penders Parks, Pender Grove Primary and Thornbury High, buses, trams and High Street's fabulous range of shopping and cafes.
