A rare opportunity has arisen in the heart of Gosnells, presenting a level 1012 sqm block of land ready to be transformed into your dream home. The existing structure on the property, a dated and unliveable house, is to be demolished, providing a blank canvas for your creative vision. Located in a highly sought-after area, this prime piece of real estate is surrounded by established homes, parks and amenities. This presents a fantastic opportunity to create your dream home. The location of this property is unbeatable, with quick access to local shopping centers, schools, public transport and recreational facilities. The property is also close to major roads, making it easy to get around and connect with the wider community. This is a rare opportunity to secure a prime piece of real estate in a highly desirable location. With the potential for a fantastic return on investment, the possibilities for this land are endless. Contact us today to find out more about this exciting opportunity and start planning your dream home or investment project. For more information call Rebecca 0447 973 005. When purchasing a property, it is important to do your own due diligence and research to ensure that the property meets your needs and expectations. This may include conducting a property inspection, reviewing title documents, and checking local zoning and building codes. While a real estate professional or development company may provide information or guidance, they may not be able to guarantee the accuracy or completeness of the information. It is ultimately up to the buyer to make an informed decision and take responsibility for any risks associated with the purchase.
