A generous and bright home that provides excellent versatility with fresh modern spaces and low-maintenance ease is ideal for today's busy lifestyle. This cleverly renovated two-storey residence delivers all this and more with a flowing layout that encourages relaxed indoor-outdoor entertaining, along with an extra-deep backyard offering leafy privacy. A peaceful retreat is the result in a premium Leichhardt location that's handy to all local amenities with easy access to the light rail, Norton Street and shopping at Market Place. A spacious layout offering an open design with skylights throughout. Ultra-private paved courtyard plus a deep garden with east-facing lawn. Three bedrooms include a large upstairs main with a walk-in wardrobe & skylight. A quality kitchen equipped with gas appliances and breakfast bar. Downstairs study area plus a separate formal lounge/sitting space. Modern full bathroom plus a downstairs laundry and powder room. Good built-in storage, secure front court garden and solar panels.
