Properties like these do not come up often, and with ocean views that will take your breath away you will need to be quick to secure it. Imagine enjoying this piece of paradise right on the doorstep, sit & relax in the front living area and just watch the world go by and later be in awe of Mother Nature's picturesque sunsets from the comfort of your own home. This unique property built in 1951, is a four-bedroom, one bathroom home that gives you magnificent 180-degree views over Bunbury's iconic Back Beach. With loads of classic features including Jarrah floorboards and feature ceilings and a granny flat to boot. Set on an 849m² lot it has so much potential for development with a residential design code of R40/60. Live in it now and develop later or develop right now. Waterfront property potential does not get better than this!! Would suit Buyers in the \$1m - \$1.2m range.
