Nestled at the rear of a small complex, this brick and tile, modern, thoughtfully configured home in West Kempsey has been planned for the ultimate in low maintenance, stress free living on the edge of town. With a very sought after 4 bedrooms, the master with a walk in robe and ensuite, built in wardrobes, large main bathroom, multiple living areas and floating timber floors this home has so many desirable features. Ceiling fans, a large double garage, an updated laundry with timber benches and quality finishes, all combine to present a home that can appeal to families, downsizers, investors and couples. The kitchen is spacious with a dishwasher, plenty of storage and has a double fridge cavity, which flows to a study nook and dining area. An enclosed sunroom at the side of the home leads onto a rear deck that overlooks the tidy, landscaped gardens that pop with colour and a scenic view across the paddocks. The floor plan of the home cleverly utilises space to provide multiple living spaces that can be configured to suit most families. There is a four camera hard wired security system and new screens on the windows. Close to the edge of town, with Frederickton and the Pacific Highway only minutes away and in easy commute to the coastal hubs of South West Rocks, Crescent Head, Port Macquarie and Coffs Harbour, this lovely home provides the best of the lifestyle that the Macleay Valley offers. Fully fenced, with the addition of 6.4 kilowatt solar panels, a garden shed, and generous paved areas this beautiful home is ready to move in and be enjoyed.
