Under Contract

Built in 2014 by Higginbotham Homes, this spacious 4-bedroom family abode awaits its next chapter. Boasting timber floating floors in main traffic areas, the expansive open-plan layout seamlessly integrates the kitchen, dining, and rumpus room, ideal for modern living. The kitchen features a dishwasher and convenient walk-through pantry. The master suite impresses with a sizable walk-in robe leading to a generous ensuite, complete with double hand basin, large shower, and indulgent bath. Three additional bedrooms offer built-in robes, while the 3-way main bathroom ensures practicality. Outside, a 15m x 9m garage awaits customization with power and cement floor. A 6kW solar system and enviro cycle adds eco-friendly appeal. With a touch of tender loving care, this home has the potential to shine brightly. Don't miss the opportunity to elevate this property to its full potential.
