In an enviable parkside position just steps from Merri Creek walking trails, this modern four bedroom, three bathroom family home offers a secluded space blessed with privacy and greenery. Tucked away in a rear position at the end of a residential cul-de-sac, it creates a getting away from it all feeling just a stone's throw from Sydney Road. Filled with natural light and clean lines, the home opens into a bright living space that flows through to a kitchen (expansive wraparound bench, stainless steel appliances), meals area, out onto a large rear deck. Downstairs finds a bright BIR bedroom, with the first floor hosting three further bedrooms with generous robes, including a primary with gleaming ensuite and WIR. The central bathroom is home to a spa bath and shower, and additional features include downstairs bathroom, laundry, heating and cooling, under stairs storage and secure garage. Nestled right by the Merri Creek Trail, it's a gorgeous walk to local parklands, Fawkner Primary School, and Coburg Lake Reserve. Pentridge cinemas, Coburg North retail outlets, and Sydney Road markets and cafés are all just a quick trip away. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
