A sanctuary of serenity on a beautiful garden allotment, this spacious and utterly charming three-bedroom home basks in the warmth of brilliant northern light, offering the perfect blend of tranquillity and low-maintenance modern bliss on 440m² (approx.). Step through picturesque greenery to discover light-filled and airy interiors, each thoughtfully updated to ensure effortless living, ideally suited for those seeking a sense of seclusion without the burden of upkeep. With a lovely green aspect from almost every room, this immaculately presented retreat promotes an instant state of calm, where a zoned floor plan is the key to functionality and ease. The substantial living area provides space to unwind in total comfort, whilst the adjacent kitchen and meals domain caters to every event with quality stainless steel appliances, including a dishwasher. Access to the rear covered verandah invites a relaxed existence amidst a private garden, where the lush environment creates the ideal setting for a quiet morning coffee in the fruit & vegetable garden or a relaxing night by the fire. Away from the central living/dining areas, a generously sized main bedroom with robes and a beautifully updated ensuite headlines two additional bedrooms and a superbly appointed bathroom with a separate WC and laundry. Additional features include reverse cycle split system and electric wall heaters. Outside, a carport and garden shed for additional storage. Positioned in an excellent location, just moments from the local shops and schools, only 25 minutes to the airport and 45 minutes to Melbourne. Don't miss the opportunity to view this tranquil home.
