If you're searching for a large block set back from the road, with a large 3-bay Shed in a central location, with the convenience of all the local amenities only moments away, this one could be the one. Take our 3D Tour and wonder through this well-designed floor plan. It features four bedrooms, a study, one bathroom, and multiple living areas, providing ample space for your growing family or lifestyle needs. More Features; - Huge 1345 sqm block - 9x6m Shed with three roller doors. - Near new and very spacious modern kitchen with electric appliances - Split system air conditioning & Ceiling Fans - Master Bedroom with built-in robes - Large undercover entertainment area - Separate Laundry - Restored tiled roof. - With a vacant block next door and no fencing, your yard will seem triple the size. The current owners have use of this area in agreement with the neighbour.
