In an elevated position which has never been subjected to flood, the house boasts four generous sized bedrooms, each with built-in robes and the master featuring a walk-in robe, and a private en-suite. The main bathroom features a bath, shower and vanity, whilst having the convenience of a toilet and sink located separately and adjacent to it. The heart of the home is a capacious kitchen equipped with a dishwasher, wall oven, microwave cavity, and a large pantry, perfect for those who love to cook and entertain. Adjacent to the kitchen, you will find a carpeted lounge area complete with air conditioning for those warm summer days, and a separate dining area to enjoy family meals. Parking is more than sufficient with a 2-car remote garage that conveniently offers internal access and includes a laundry space.
