Presenting the perfect balance of city-fringe sophistication, bayside bliss and a resort-like sense of luxurious tranquility, this two bedroom apartment is enviably situated on the second floor of Becton's landmark 'The Park' building. Nestled within exquisitely manicured gardens, with two communal swimming pools, a gymnasium and direct gated access to Lagoon Reserve, this is an apartment with a lifestyle offering few can match. Stone benches and glass splash backs form a timeless combination with a suite of SMEG appliances in a kitchen that overlooks dining / living, while creating a seamless connection to a sunny terrace and city views. Securely accessed via intercom entry, the apartment also features secure (non-stacker) basement parking and a huge storage cage all conveniently adjacent to the elevator, plus there are built-in robes in each bedroom, a stylish bathroom, European laundry, a second terrace, rubbish chute, central reverse cycle heating and air conditioning. Walk easily to the vibrancy of Bay Street, where the shopping is first class and complemented by a remarkable selection of cafes, restaurants, and bars, plus you have city-bound trams, Gasworks Park and the waterfront all within easy reach as well, while South Melbourne Market is also just a few minutes away.
