Exceptionally well designed this alluring family residence provides a picturesque profile offering an exceptional lifestyle with fantastic views towards the Grampians. An elegant entry, multiple formal and informal living spaces with a highly functional updated kitchen that includes quality appliances overlooking the meals/dining/living zones to create a comfortable convenience. All four generously sized bedrooms offer a combination of WIRs & BIRs whilst the luxurious master bedroom boasts an updated ensuite and large walk in robe. Throughout the home, you'll find quality craftsmanship showcasing 9ft ceilings, quality carpets and high-quality window furnishings enhancing comfort and luxury. Organisation will never be an issue with the large linen closet and many other storage spaces throughout plus a good-sized laundry. Outside the home offers a large 1612m²(approx.) allotment with zones to entertain or relax, the beautifully proportioned entertaining deck encapsulates the West views & overlooks the recently installed swim spa perfect for the family to enjoy all year round. Car accommodation is taken care of with an oversized double garage with remote doors & direct access to the house, at the rear of the property is the tradesman's shed perfect for the boat or workshop which has the convenience of side access off Little Rickard Street. An added inclusion is the recently installed solar to keep costs down, the very low maintenance garden also features a dedicated area for fruit trees as well as raised garden beds.
