Price Reduced \$230,000!

Are you ready to roll up your sleeves and unleash the full potential of your future home? Look no further! This high-set three-bedroom property offers an opportunity to transform it into your dream oasis. With some TLC this home has the potential to become the envy of the neighbourhood. Imagine the potential of the bedrooms once updated with modern finishes and fixtures. The laminate kitchen, combined with the dining and lounge areas, provides a comfortable space to entertain guests or relax with family. With a wrap-around patio, there's ample space to extend outdoor living areas and create your own private retreat. The underneath car parking adds convenience and security, while the upstairs laundry ensures practicality for everyday living. Don't miss this chance to turn your renovation dreams into reality. Contact us today to seize this incredible opportunity and unlock the full potential of this property!
