\$1,499,000

Beautifully oversized, full of glorious northern and eastern light and featuring panoramic views across the Toorak rooftops to the hills, this flexible and contemporary abode will impress and inspire. Easily matching a range of lifestyles and stages, with stylish, high-end appointments featuring throughout, a warm and welcoming hallway introduces a series of bright living spaces. An inviting wintergarden provides compelling alfresco connection from the open plan living and dining zone, while Bosch appliances, stone benches and a clever study zone combine to create a versatile and practical kitchen, serving as the hub of the home. Three generous bedrooms include the plush main with walk in robes, a central bathroom, separate shower room and two powder rooms. A lock up double garage, intercom entrance and lift access are amongst the additional features of 'Whitehall', a meticulously maintained development on a prestige Toorak boulevard. Hop on the Toorak Road tram or walk down to Toorak Village for your morning coffee, a spot of boutique shopping or a fine dining experience and take advantage of easy access to South Yarra and the CBD. A prime position puts Toorak Station, Brookville Gardens, Toorak Primary School, and a choice of excellent schools within easy reach.
