This modern apartment in Drummoyne sounds like a dream! Its seamless blend of contemporary design and functionality is truly impressive. From the open-plan living area with floor-to-ceiling glass doors that flood the space with natural light, to the covered balcony offering stunning views of the city and harbour, every detail seems carefully considered for both style and practicality. The chic stone kitchen, complete with stainless steel appliances and a breakfast bar, is perfect for both everyday cooking and entertaining guests. And with three well-sized bedrooms featuring built-in wardrobes (plus a master bedroom with an ensuite), there's plenty of space for everyone. The apartment also boasts fully tiled designer bathrooms, ducted air-conditioning, downlights, custom-made double-glazed windows, and floorboards throughout, adding to its modern appeal and comfort. Additionally, the dedicated study space with built-in storage is a great bonus for those who work from home or need extra organization. Security features like the building's secure entry and basement parking for two cars with remote access provide peace of mind, while the convenience of lift access and a storage cage adds practicality to daily living. Situated in the heart of Drummoyne, residents have easy access to amenities like Harris Farm, Birkenhead shopping, cafes, restaurants, and express city transport directly to Sydney CBD, making it a highly desirable place to call home.
