Located walking distance to the sand, the lake, parks, cafes, restaurants, schools & B-Line transport. The living space is large enough to hold full lounge and dining suites as does and the full length entertaining balcony. The kitchen and bathroom are beautifully renovated, and both main & 2nd bedrooms have built in wardrobes. There is an internal laundry and a lock up garage. The residents of this sought after security building enjoy lift access direct to their apartment doors (no stairs!) and at 116m² (excluding the garage) this one is a must to inspect.
